

# More than Parkinsonism: Patient and Family Education Symposium

Join the Rush Parkinson's Disease and Movement Disorders Program for a supportive day of high quality, condition-specific education for individuals and families impacted by atypical parkinsonism including **Dementia with Lewy Bodies (DLB), Multiple System Atrophy (MSA), Progressive Supranuclear Palsy (PSP), and Corticobasal Syndrome (CBS).**

This first-of-its-kind program in Chicagoland will cover:

- Atypical parkinsonism 101
- Managing weight loss & constipation
- Navigating systems of care
- Planning for future care
- Lunch fair with community resources, patient advocacy organizations, and industry sponsors
- Condition-specific breakout tracks addressing the unique symptoms and treatment options for families living with DLB, MSA, and PSP/CBS.

**Saturday, September 27,  
2025, 9:30am to 4pm Central**

**Rush University Medical Center,  
Professional Office Building  
Room 500**

**1725 W. Harrison Street,  
Chicago, IL 60612**
